A screenshot of a GitHub repository page. At the top, there's a navigation bar with links for Code, Issues, Pull requests, Actions, Projects (2), Wiki, Security, Insights, and Settings. Below that is a header for the repository 'cloudComputingLabs' (Public). The main content area shows a list of files: 'In-Class Assessment 1.pdf', 'Lab2.pdf', and 'lab4.pdf', all added via upload. There's also a section for the 'README' file, which has a button to 'Add a README'. On the right side, there are sections for About, Activity, Packages, and Releases, each showing zero counts for stars, watching, forks, releases, and packages.
